1. Who we are

Prime Partners Financial Advice Pty Ltd (PPFA), is a privately owned and operated Australian Financial Services License (AFSL) holder. Our Financial Planners are passionate about working closely with their clients to first understand, and then help achieve, their goals. Clear goals and strategies, when combined with ongoing advice from our Financial Planners, will help you to stay on track and ultimately help you get to where you want to be.

This FSG is given to you by your adviser with the authority of Prime Partners Financial Advice Pty Ltd (PPFA). When a member of our team provides financial services to you, they will be acting for you on behalf of Prime Partners Financial Advice Pty Ltd (PPFA).

You may specify how you would like to give us instructions. For example, by telephone, email, fax or other means but, in all instances, we must receive a written confirmation of these instructions.

3. How we are paid

Generally, for supplying financial advice or a financial service, we charge a fee-for-service. Most often this involves an upfront fee and an ongoing fee. The cost of providing financial advice to you will depend on the nature and complexity of the advice and/or service provided. You may be charged a fee-for-service, a commission (generally payable on insurance only), or a combination of both. Before providing advice, we will tell you what we are doing for you and how we will be paid. This will also be clearly disclosed in a Statement of Advice or Record of Advice document before any of the advice is implemented.

Your Financial Planner's Corporate Authorised Representative (CAR) is paid revenue from PPFA for the provision of financial services to clients. Their current arrangement stipulates that \$2,100 per month is payable from the respective Corporate Authorised Representative to PPFA in order to cover Licence costs. This figure is subject to change if costs increase.

If your Financial Planner charges a fee for service for initial or ongoing advice it will usually be a fixed fee calculated using an hourly rate between \$220 - \$440 per hour, depending on the services provided and who provides those services. In some cases, a client may be charged a percentage fee for ongoing advice. It would range from 0.44% p.a. - 1.1% p.a. of what is invested, depending on complexity and anticipated hours.

If your Financial Planner receives commission from an insurance product, currently they could receive a maximum of 66% of the first year's premium and up to 22% of subsequent years' premiums, or, if a level commission is received, a maximum of 33% of the first year's premium and up to 33% of subsequent years' premiums. For share trading, you may be charged an administration fee of \$55 for trades under \$15,000 and \$110 for trades over \$15,000. Occasionally, PPFA is also paid a placement fee by product issuers or stockbrokers on initial public offerings (IPOs) and new floats. This is paid by the product issuer or broker and not the client. It is typically between 0.33% and 1.1% of the amount invested.

4. Privacy

We will need to find out your individual objectives, financial situation and needs before we recommend any financial product to you. You have the right not to divulge this information to us if you do not wish to do so. In that case, we are required to warn you about the possible consequences of us not having your full personal information. You should read the warnings carefully.

We keep a record of the personal information, which may include details of your investment objectives, financial situation and particular needs, you provide to us. On your request, we can provide you with a copy of your personal information and advice documents, which we keep on record for no less than 7 years. We collect, use and retain private and personal information according to the requirements of the National Privacy Principles and the Commonwealth Privacy Act. For a copy of our policy, please contact us by telephone or email and we will provide you with a copy.

Throughout the advice process, your personal information may be disclosed to other services providers. These may include:

- Financial product providers
- Financial planning software providers
- Administration and paraplanning service providers

PPFA may engage third party service providers to assist in the provision of products or services. Some services may require disclosure of personal information to service providers outside Australia. The purpose of such disclosure is to facilitate the provision of financial services including the preparation of financial advice documents for PPFA advisers. All reasonable steps will be taken to ensure that offshore service providers comply with the Privacy Act 1988.

5. If you have a complaint

We are committed to providing quality advice to you. This commitment extends to providing accessible complaint resolution mechanisms for you.

If you have any complaint about the service provided to you, you should contact Complaints Manager at Prime Partners Financial Advice on (02) 9879 7005 (option 2) about your complaint and we will investigate and try and resolve your complaint within 30 days.

If after 45 days we cannot reach a satisfactory resolution to your complaint, we are a member of the **Australian Financial Complaints Authority (AFCA)** and you can raise your concerns with them through the contact details below:

AFCA
GPO Box 3
Melbourne VIC 3001
(P) 1800 931 678 E) info@afca.org.au

6. Other matters you might want to know

We will also provide you with a Statement of Advice (SoA) whenever we provide you with any advice that takes into account your objectives, financial situations and or needs. The SoA will contain the advice, the basis on which it is given, and information about fees, commissions and associations which may have influenced the provision of the advice.

If we give you further advice, or when no financial product is recommended, a Record of Advice (RoA) may be provided to you instead of a SoA. You can request a copy of the RoA by contacting us (if you have not previously received a copy) within 7 years of that further advice being given.

In the event we make a recommendation to acquire a particular financial product (other than securities) or offer to issue or arrange the issue of a financial product, we must also provide you with a Product Disclosure Statement containing information about the particular product. This will enable you to make an informed decision in relation to the acquisition of that product.

We hold professional indemnity insurance cover for the activities conducted under our AFS licence which we believe satisfies the requirements of section 912B of the *Corporations Act 2001* for compensation arrangements.
